WARRANTY INFORMATION

MEEKER EQUIPMENT CO., INC. WARRANTY

MATERIALS & WORKMANSHIP WARRANTY

1. Meeker Equipment Co., Inc. will repair or replace F.O.B. any part of this equipment, of our manufacturer, which, within one year of the date of shipment from the factory, is found to be defective in workmanship or material; provided this equipment is operated and maintained by the buyer in accordance with approved practices, and on the provision that the buyer gives proper notification in writing as soon as defect becomes apparent.
2. This warranty is exclusive and in lieu of all other warranties, express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. Meeker Equipment Co., Inc. shall in no event be liable for any consequential or incidental damages arising in any way, including but not limited to any loss of profits or loss of business, even if Meeker Equipment Co., Inc. has been advised of the possibility of such damages.

Controls, motors, oil pumps, auxiliaries, accessories, and parts manufactured by others may be warranted by them, but Meeker Equipment Co., Inc. does not provide any warranty for parts manufactured by others. We endeavor to use nationally known controls of the highest quality and most of the manufacturers of these controls maintain exchange or repair offices in the principal cities of the United States and foreign countries. We request that our distributors and owners of Meeker Equipment Co., Inc. heaters utilize the nearest offices of the individual manufacturers for the exchange of these defective items. If it is more convenient for our distributors or the owners of Meeker Equipment Co., Inc. products, the defective items may be returned to our factory. The manufacturer's sole judgment shall determine the extent of allowance for our replacement of such parts claimed defective.

3. Please do not request the replacement of parts on a no-charge basis that are not within the warranty period. No personnel of Meeker Equipment Co., Inc. has authorization to grant such a request.
4. We will not honor labor charges of any kind unless authorized in writing by our Company.

METHOD OF SHIPPING WARRANTY PARTS

1. Meeker Equipment Co., Inc. will ship warranty parts by UPS whenever size and weight allow. Any shipments requested by means other than or truck will be at the customer's expense.

PARTS NOT COVERED BY WARRANTY

1. Any parts returned for credit under warranty, which are found to have been mishandled, disassembled, improperly installed, or abused will not be covered by warranty.
