

Maintenance Technician

Hamilton Tanks LLC is seeking a Maintenance Technician to join our team! At our manufacturing facility, the Maintenance Technician performs all necessary work to keep our mechanical equipment and machinery operating smoothly, and our buildings & grounds in good repair.

Responsibilities:

- Respond to equipment downtime emergencies, troubleshooting for root cause and repairing as needed
- Perform daily equipment inspections and complete necessary maintenance in a timely manner
- Complete repairs and preventative maintenance on all equipment and buildings
- Perform typical maintenance tasks to support the operational environment for the entire facility
- Maintain a clean and safe workspace
- Perform other duties, as assigned

Qualifications:

- Must have at least 3-5 years experience in an industrial manufacturing environment, specifically with mechanical and electrical equipment
- Familiarity with hand-held tools and equipment
- Deadline and detail-oriented
- Ability to handle physical workload
