### **Essential Functions:**

*Performs a variety of tasks which may include but is not limited to*

- Cleans grease and dirt from products.
- Shovels or pours abrasives sand, grit, or steel shot of specified grate into a hopper
- Inspect, start & maintain equipment that delivers blast mediums as well as regulate pressures that produce a safe and efficient environment.
- Removes rust from metal surfaces with blasting agents by directing nozzles appropriately and/or using scrapers, brushes, or abrasive papers

### **Working Conditions:**

*Performs a variety of tasks which may include but is not limited to the following physical demands*

- Standing for over 8 hours a day
- Lifting and carrying 50 pounds
- Pushing and/or pulling 50 pounds
- Walking on variable terrain (loose gravel, concrete flooring, asphalt)
- Turning/twisting/bending at the waist
- Forward and overhead reaching
- Ability to wear respiratory protection for over 4 hours a day

### **Qualifications/Skills:**

- High school diploma or equivalent, required
- Experience as an abrasive blaster or in a related field, preferred
- *Knowledge of a variety of field concepts, practices, and procedures or willingness and ability to train on other equipment and/or processes*
- Working knowledge of manual sand and grit blasting machines, materials, processes, and practices
- General knowledge of hand tools (chipping hammer and wire brush) and power tools (grinder, belt sander, palm sander)
- Able to continuously demonstrate safe work practices
- Visual acuity and peripheral perception of 70 degrees
- Ability to pass background check, drug screen, fit for duty evaluation

**Benefits:**

- Health Insurance
- Dental & Vision Insurance
- Paid Time Off
- Short- and Long-Term Disability
- 401K
- Paid Holidays
