

Plasma Cutting Machine (CNC) Operator

Hamilton Tanks is looking for a Plasma Cutting Table (CNC) Operator. The operator will be running nested programs, loading material onto the table, removing cut parts and scrap, and organizing parts for both stock and custom jobs.

Essential Functions:

Performs a variety of tasks which may include but is not limited to

- Perform typical machine operations including loading programs, swapping torch heads, handling cutting gas, and loading/unloading raw material as defined by the shop work orders.
- Increase operating efficiency through minimizing set up time and handling, monitoring cut quality, the organization and accurate marking of all parts.
- Handle raw material and cut parts both manually and by using overhead cranes, forklifts, or other moving equipment.
- Coordinate with engineering to relay any necessary changes to nested programs and equipment set ups for safe or optimized operation.
- Maintain regular contact with shop supervisors and fabricators to communicate status of parts for current or upcoming job.
- Must be able to prioritize daily tasks to meet scheduled production.
- Maintain safe operations by adhering to safety procedures and regulations.
- Perform other duties and cross-train as assigned by supervisor.

Working Conditions:

- Manufacturing facility with exposure to temperature extremes, dirt, dust, weld fumes & smoke, unpleasant odors, and loud noises.
- Standing for over 8 hours a day
- Walking on variable terrain (loose gravel, concrete flooring, asphalt)
- Turning/twisting/bending at the waist
- Forward and overhead reaching

Qualifications/Skills:

- High school diploma or equivalent required.
- Experience operating a CNC Plasma Burn Table, Oxy Acetylene Cutting Table, Water Jet or Laser Cutting Table or other similar systems required.
- Experience using Hypertherm ProNest or similar CNC table software required.
- Ability or desire to weld is a plus.
- Must pass background check, drug test, and fit for duty test.
- Lifting techniques, help from another employee or other available resources such as lifting or moving equipment.

Benefits:

- Health Insurance
- Dental & Vision Insurance
- Paid Time Off
- Short and Long Term Disability
- 401K
- Paid Holidays
